NEW QUESTION: 2

Mentoring involves which of the following?

- A. Someone whose goal is to develop an employee in a particular area
- B. Someone who provides training in areas of interest to an

employee

C. Someone who takes a personal interest in an individual's career and who guides and sponsors the individual

D. Someone who monitors an employee's performance in doing their job

Answer: C

Explanation:

Explanation/Reference:

Answer option A is correct.

A mentor is someone who takes a personal interest in an employee's career and who guides and sponsors them. Although a supervisor may be a mentor, mentors are usually individuals who are outside the chain of command and may even be from outside the organization. The functions in C, B, and D are not generally performed by mentors.

Answer: D, E

Explanation:

B: You can gradually roll out Seamless SSO to your users. You start by adding the following Azure AD URL to all or selected users' Intranet zone settings by using Group Policy in Active Directory: https://autologon.microsoftazuread-sso.com

E: Seamless SSO works with any method of cloud authentication - Password Hash Synchronization or Pass-through Authentication,

and can be enabled via Azure AD Connect.
