Answer: A

Explanation:

Sydney Johnson is the supply management professional for Scott Textile Industries of North

America. Numerous antitrust and trade regulations as well as U.S. Federal procurement and public projects affect her daily operations. The General Agreement on Tariffs and Trade (GATT) would most impact her organizations tariffs, quantity restrictions and subsidies in international trade. Federal Acquisition Regulations guide the usage of appropriated funds. The False Claims Act provides for the recovery of damages upon proof of loss to the government through the award or performance of a government contract. The Davis Bacon Act would require Sydney to ensure local wage standards, prevailing wage and participation in her organizations business particularly for a government building contract.

NEW QUESTION: 3

You build a report to help the sales team understand its performance and the drivers of sales. The team needs to have a single visualization to identify which factors affect success. Which type of visualization should you use?

- A. Funnel chart
- B. Line and clustered column chart

- C. Q&A
- D. Key influences

Answer: D

Explanation:

Explanation

The key influencers visual helps you understand the factors that drive a metric you're interested in. It analyzes your data, ranks the factors that matter, and displays them as key influencers.

The key influencers visual is a great choice if you want to:

- * See which factors affect the metric being analyzed.
- * Contrast the relative importance of these factors. For example, do short-term contracts have more impact on churn than long-term contracts?
